Certification

To whom it may concern

I, Dottor Sara Bringhen, Italian principal investigator of the ICARIA-MM trial, a phase 3 randomized clinical study, certify that Dr Artur Jurczynszyn was the PI of this trial in Poland.

The study has been presented at different international meetings (ASH, EHA) and has been published in The Lancet (Lancet. 2019 Nov; 394:2096-107).

Issued 28 of October 2020 in Turin, Italy
